

**Key guidelines for authors of papers for
the 11th International Brown Coal Mining Congress, titled:**

“BROWN COAL – ALTERNATIVE DIRECTIONS OF APPLICATION”

- The volume of the paper should not exceed 1 publishing sheet (ca. 8 pages in the A4 format).
- The text should be written in a continuous fashion, using a 12 pt Times New Roman font, with a 1.5 line leading.
- The paper should be structured appropriately (as recommended for academic papers), divided into numbered sections (e.g. Abstract, 1. Introduction, 2. Research methods, 3. Study results, 4. Discussions, 5. Conclusions, References, Abstract, Acknowledgments).
- The paper should be submitted in electronic format (.doc, .docx), with drawings, tables and charts inserted in the final form. Maximum dimension of drawings and tables – 13 x 19 cm.
- Source files of drawings, tables and charts (in a .cdr, .jpg, .tif or other format suitable for processing) and tables (in a .doc, .docx format) should also be provided along with the paper.
- The paper should be accompanied by a list of references, list of source materials referred to in the paper, and endnotes. Furthermore, please note the possibility to include source of funding for the paper (e.g. project, research work, scientific/research work – as needed).

The following should be provided along with the main body of text:

- **Affiliations of authors, i.e.: school, department / company name, city,**
- **Title of paper in Polish and English,**
- **Abstract in Polish and English (15-20 lines),**
- **Keywords in Polish and English,**
- **Filled statement on the form attached.**

All papers will be published on the Congress website.
